For Grainger College of Engineering

Parkland College applicants need to submit the following application instead: [https://admissions.illinois.edu/Apply/Pathways/parkland-process](https://admissions.illinois.edu/Apply/Pathways/parkland-process)

- Apply to the partner college you plan to attend. You will need the ID number from that school for your Engineering Pathways application.

- Submit the Engineering Pathways application; there is no fee to apply.

- Send official high school transcripts. Transcripts need to include final grades for the fall term and list your spring schedule.

- If you have completed any college coursework up through the Fall 2019 semester, you will need to send an official college transcript.

Transcripts may be sent electronically to Engineeringpathways@illinois.edu or via mail to
